1. Coverage and Benefits

1.1 Inpatient Hospitalisation

The policy covers all medical expenses incurred during hospitalisation for a minimum period of 24 consecutive hours. This includes room rent, nursing charges, surgeon fees, anaesthesia, blood, oxygen, operation theatre charges, and the cost of medicines and consumables used during the stay. Room rent is covered up to INR 3,000 per day for a standard single AC room. ICU charges are covered up to INR 6,000 per day.

1.2 Pre-Hospitalisation Expenses

Medical expenses incurred up to 30 days before the date of hospitalisation are covered, provided the expenses are directly related to the illness or injury for which the insured was subsequently hospitalised. This includes diagnostic tests, consultation fees, and prescribed medicines.

1.3 Post-Hospitalisation Expenses

Medical expenses incurred up to 60 days after discharge from the hospital are covered, subject to the expenses being related to the same illness or injury. This includes follow-up consultations, physiotherapy sessions prescribed by the treating doctor, and medicines.

1.4 Day Care Procedures

The policy covers 541 day care procedures that do not require 24-hour hospitalisation due to advancement in medical technology. These include cataract surgery, chemotherapy, dialysis, lithotripsy, and angiography.

1.5 Ambulance Cover

Emergency ambulance charges are covered up to INR 2,000 per hospitalisation event for transportation to the nearest network hospital.

2. Waiting Periods

Condition	Waiting Period
Initial waiting period (all illnesses except accidents)	30 days
Pre-existing diseases (PED)	36 months of continuous coverage
Specific diseases (e.g. hernia, cataract, joint replacement)	24 months
Maternity benefits	24 months

3. Exclusions

The following are not covered under this policy:

- Cosmetic or aesthetic treatments, including plastic surgery unless necessitated by an accident.
- Dental treatment or surgery unless requiring hospitalisation.
- Self-inflicted injuries, suicide attempts, or injuries arising from criminal acts.
- Treatment for alcoholism, drug abuse, or any addictive condition.
- Expenses related to HIV/AIDS or sexually transmitted diseases.
- War, invasion, act of foreign enemy, or nuclear radiation related injuries.
- Experimental or unproven treatments not recognised by established medical bodies.
- Obesity treatment including bariatric surgery unless BMI exceeds 40 and documented comorbidities exist.

4. Claim Procedure

4.1 Cashless Claims (Network Hospitals)

For planned hospitalisation, notify the insurer at least 48 hours in advance. For emergency hospitalisation, notify within 24 hours of admission. Present your SureHealth e-card at the hospital's insurance desk. The hospital will send a pre-authorisation request to SureHealth. Upon approval, treatment proceeds on a cashless basis up to the approved limit. Any expenses beyond the approved limit or non-medical expenses must be settled directly by the insured.

4.2 Reimbursement Claims (Non-Network Hospitals)

Submit the claim within 30 days of discharge. Required documents include: original hospital bills and receipts, discharge summary, doctor's prescriptions, diagnostic test reports, and a duly filled claim form. Claims are processed within 15 working days of receiving all documents. Payment is made via NEFT to the registered bank account of the insured.

5. No Claim Bonus (NCB)

For every claim-free policy year, the Sum Insured is increased by 10% at no additional premium cost, up to a maximum of 50% of the original Sum Insured. In the event of a claim, the accumulated NCB is reduced by 10% at the time of the next renewal. NCB cannot be used to offset premiums — it applies only as an enhancement to the Sum Insured.

6. Renewal and Cancellation

This policy is renewable for lifetime, provided premiums are paid on time. A grace period of 30 days is allowed for premium payment after the due date; coverage is suspended during the grace period. The policyholder may cancel the policy by providing 15 days written notice. In such cases, premium refund is calculated on a short-rate basis. SureHealth reserves the right to cancel the policy on grounds of misrepresentation or fraud, with 30 days prior written notice.
