Emergency Room Copay:	\$250 per visit	Coinsurance (after deductible, In-Network):	20% / 80%

The deductible is the amount You must pay for covered health care services before ClearShield begins to pay. The out-of-pocket maximum is the most You will pay during a policy period before ClearShield pays 100% of covered in-network services. Copayments and coinsurance apply toward the out-of-pocket maximum. Premiums do not apply.

SECTION 2 — SCHEDULE OF COVERED BENEFITS

2A. Inpatient Hospitalization

ClearShield covers medically necessary inpatient hospital admissions, including room and board (semi-private room), intensive care unit (ICU) services, nursing care, surgical services, anesthesia, laboratory and diagnostic imaging, and ancillary hospital services. After the annual deductible is satisfied, ClearShield pays 80% of covered charges for in-network facilities; the Member is responsible for the remaining 20% coinsurance until the out-of-pocket maximum is reached. Prior authorization is required for non-emergency inpatient admissions. Failure to obtain prior authorization may result in a 20% reduction of benefits.

2B. Outpatient and Ambulatory Services

Covered outpatient services include: (i) Primary care physician (PCP) office visits — \$30 copay per visit; (ii) Specialist office visits — \$60 copay per visit; (iii) Urgent care center visits — \$75 copay per visit; (iv) Emergency room visits — \$250 copay per visit (waived if admitted); (v) Outpatient surgery and procedures — subject to deductible and 20% coinsurance; (vi) Laboratory services and diagnostic imaging ordered by a licensed provider — subject to deductible and 20% coinsurance. Routine preventive care and wellness visits are covered at 100% with no cost-sharing when provided by an in-network provider, in accordance with

applicable federal guidelines.

2C. Prescription Drug Benefits

Prescription drug coverage is provided under the ClearShield Formulary (Tier Schedule). Copayments per 30-day supply are as follows: Tier 1 — Generic Drugs: \$15; Tier 2 — Preferred Brand-Name Drugs: \$45; Tier 3 — Non-Preferred Brand-Name Drugs: \$85; Tier 4 — Specialty Drugs: 25% coinsurance (maximum \$250 per fill). A 90-day supply at participating mail-order pharmacies is available for 2.5 times the applicable 30-day copay. Specialty drugs require prior authorization and must be dispensed through a ClearShield-designated specialty pharmacy. The annual prescription drug out-of-pocket maximum is included within the overall out-of-pocket maximum stated in Section 1.

2D. Maternity and Newborn Care

ClearShield covers prenatal care, labor and delivery, and postpartum care as required by applicable law. Covered services include: all routine prenatal office visits (no cost-sharing when rendered by an in-network provider); inpatient hospital delivery — subject to deductible and 20% coinsurance; midwife or certified nurse-midwife services in lieu of physician care; newborn care from the moment of birth for a minimum of 48 hours following a vaginal delivery or 96 hours following a cesarean section; and postpartum office visits. Enrollment of the newborn must be completed within 30 days of birth. Breast pump equipment and related lactation support are covered at no cost-sharing in accordance with federal preventive care mandates.

2E. Mental Health and Substance Use Disorder Services

Consistent with the Mental Health Parity and Addiction Equity Act (MHPAEA), ClearShield provides mental health and substance use disorder (SUD) benefits at parity with medical and surgical benefits. Covered services include: outpatient individual and group therapy — \$60 copay per visit (in-network); inpatient psychiatric hospitalization — subject to deductible and 20% coinsurance; intensive outpatient programs (IOP) and partial hospitalization programs (PHP) — subject to deductible and 20% coinsurance; medication-assisted treatment (MAT) for SUD; and telehealth behavioral health services. Prior authorization is required for inpatient psychiatric admissions and residential treatment programs.

SECTION 3 — GENERAL EXCLUSIONS

This Policy does not provide benefits for the following services, supplies, or conditions. This list is not exhaustive; refer to the full Policy Certificate for a complete schedule of exclusions.

Cosmetic and Reconstructive Surgery: Procedures performed primarily to alter or improve appearance, including but not limited to rhinoplasty, blepharoplasty, liposuction, abdominoplasty, and elective breast augmentation. Reconstructive surgery required as a direct result of a covered illness or accidental injury is covered subject to applicable cost-sharing.

Experimental and Investigational Treatments: Services, drugs, devices, or procedures that are not generally accepted by the medical community as proven and effective for the diagnosis or treatment of a covered condition, as determined by ClearShield's Medical Policy Committee. A treatment is considered experimental if it lacks Phase III FDA approval, is the subject of ongoing clinical trials as the primary study population, or is not recognized in standard peer-reviewed medical literature.

Long-Term Custodial Care: Assistance with activities of daily living in a nursing facility, assisted living, or in-home setting where skilled medical care is not the primary purpose of admission.

Dental and Vision Services: Routine dental care, orthodontia, and routine vision examinations or corrective eyewear, unless specifically endorsed to this Policy.

Non-Medically Necessary Services: Any service, supply, or admission not deemed medically necessary by ClearShield, including elective services where no clinical indication is documented.

Weight Loss Programs: Dietary programs, gym memberships, nutritional supplements, or bariatric surgery performed solely for weight reduction without documented comorbid conditions meeting clinical criteria.

SECTION 4 — GENERAL PROVISIONS

Governing Law. This Policy is issued in and governed by the laws of the State of Connecticut. Any disputes arising under this Policy shall be subject to the jurisdiction of the courts of the State of Connecticut.

Renewability. This Policy is guaranteed renewable provided premiums are paid on time and the Policyholder has not committed fraud or material misrepresentation in obtaining coverage. ClearShield may adjust premiums at renewal with a minimum of 60 days prior written notice.

Appeals and Grievances. Members have the right to appeal adverse benefit determinations. First-level appeals must be submitted in writing within 180 days of receipt of the adverse determination. ClearShield will respond within 30 days for post-service claims and 72 hours for urgent care appeals. Members may request an Independent External Review upon exhaustion of internal appeal rights.

HIPAA Privacy. ClearShield Health Insurance Corporation complies with all applicable federal and state privacy laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA). A full Notice of Privacy Practices is available at clearshieldhealth.com or upon written request.
